Office number: 0117 9411611 Onsite contact number: 0330 120 1651
(operational Monday 12th May - Tuesday 27th May 9am - 6pm, 8am - Midnight on live event days)

Love Saves the Day Festival is scheduled to take place at Ashton Court on the 24th and 25th May 2025. The purpose of this letter is to give you notice of the event plans and to outline measures we are taking to minimise our impact on the local area.

We are committed to producing events that have the correct measures in place to protect our customers, crew, local residents and other people who use Ashton Court. We have been working closely with North Somerset and Bristol City Council's Safety Advisory Group who are given full review of our event documentation. We welcome input from them to ensure we are putting on as safe an event as possible.

If you have any queries that are not answered here, please do not hesitate to contact us on **enquiries@lovesavestheday.org** or call **0117 9411611**.

Key Event Details

Love Saves the Day will be a ticketed **over 18s** event, running from 12:00-23:00 on both Saturday and Sunday. There will be stages of music alongside smaller venues, theatre and walkabout performances, food and drink stalls and decorations throughout the site.

Site Planning & Noise

There will be increased noise in the area on the event days. We have employed an independent specialist Noise Management Company to carry out tests throughout the event to ensure that levels do not exceed those set by the North Somerset and Bristol City Councils. They will be taking readings from various points off-site including local residential areas.

If you have any concerns that you would like to raise prior to or during the show, please contact us using the details above.

Please note that **sound checks are scheduled to be carried out on Thursday 22nd and Friday 23rd between 10am - 8pm and Saturday 24th and Sunday 25th between 10am - 12pm noon, although we will do our best to keep these to an absolute minimum. (Please note that the checks will consist of intermittent sounds, not constant music during these hours.)**

Traffic Management

We will have a full traffic management plan in place which will include an event service partnership with First Bus to enable a large proportion of ticket holders to get to and from the event using the Long Ashton Park and Ride.

To ensure the safety of pedestrians and maintain emergency access to the site, it has been deemed necessary to apply for a number of road closures on the days of the event.

The **B3128** closure will be implemented between 10:00-00:00 both show days.

Love Saves the Day Festival

Saturday 24th & Sunday 25th May 2025

(operational Monday 12th May - Tuesday 27th May 9am - 6pm, 8am - Midnight on live event days)

There will be bus diversions and bus stop suspensions in place on Saturday and Sunday evenings on Blackmoors Lane, Winterstoke Road and Clanage Road. The bus services that will be impacted will be

The buses will **run as normal** until 9pm on Saturday and Sunday when the A370 will be closed in preparation for egress from the festival site. This has been advised by Avon & Somerset Police, North Somerset Council and Highways Department for safety reasons.

Buses will still run during the day and evening up **until 9pm** but will be diverted along the A3029, Bridgwater Road and back up Colliters Way as shown below.

A370 Diversion Route

The Clifton Suspension Bridge will not be closed during the event, however it will be manned by security to manage the crowd flow to ensure safety.
